

Glenwood-Glen Head Jr. Baseball

Since 1955

March 19, 2020

Dear Parents:

With deep regret, but for obvious reasons, our Board of Directors has decided to postpone the start of our 2020 season.

As you know, the projections for the containment of this virus vary dramatically. Most scientists predict that the duration is unknown, at best.

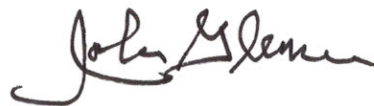

We would like to have a 2020 season but our primary concern is the health and safety of everyone. Incidentally, we are subject to the regulations of the North Shore school system and the Town of Oyster Bay. They approve and issue our permits for fields, building usages and our parade.

Going forward, weather-wise, we will be able to structure a league until October. If somehow this virus clears we will promptly reopen our registration and put together schedules, even if abbreviated. We will keep you in the loop as the situation moves along.

For families that have paid the 2020 registration fee, we will hold the funds in escrow and apply them the next time we activate.

Again, safety is number one; best wishes to you and your family.

Sincerely,
